PUBLIC HEARING CLOSED: 6:57 P.M.

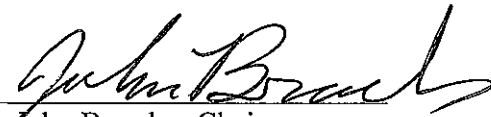

The discussion that followed was concerning the lost parking spots from landscaping or curb bump-outs, the stairs that from SR-49 to Utica Park and the Vallecito Road and SR-49 intersection. The Vallecito Road and SR-49 intersection alternatives will make it difficult for large trucks to make a right hand turn onto Vallecito Road from SR-49. The City is trying to receive another grant that will look at possibly changing the bridges to accommodate larger trucks. For now, the City is not looking to change the bridges due to cost.
