I authorize the City of Angels to charge the total amount of my monthly water and sewer bill from the credit card account identified above. (See attached copy of sales slip for credit card imprint.) I understand that I have **10 working days** from the statement date to review the bill, resolve any discrepancies or submit a written cancellation before my credit card is charged. I understand my automatic payment will be deducted **within 5 working days** after the 15th of the statement month. My participation in this service can also be stopped by the City of Angels if necessary. A cash or check payment will be required before or on the due date of my water bill if my credit card is declined.
