

ADMINISTRATIVE SERVICES SPECIALIST

DEFINITION

Under general supervision, performs a variety of administrative and technical support duties of considerable complexity requiring thorough knowledge of assigned department, division, or program, its procedures, and operational details; provides administrative support to management and departmental staff; provides information and assistance to the public and City staff related to administration of department programs, projects, and services; and performs related duties as assigned.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from assigned supervisory or management staff. Exercises no direct supervision over staff.

CLASS CHARACTERISTICS

This is a fully qualified journey-level classification. Positions at this level possess a comprehensive, authoritative understanding of department or division functions and activities, and provide support to management staff in the completion of their duties, in addition to completing administrative and technical assignments and assisting in managing department projects and programs. Incumbents at this level are capable of performing advanced and complex technical and programmatic support duties requiring the use of considerable discretion and independent judgment in performing assigned work and have responsibility for ensuring the efficient and effective functioning of assigned program or operational area. Assignments are given with general guidelines and incumbents are responsible for establishing objectives, timelines, and methods to deliver work products or services. Work is typically reviewed upon completion for soundness, appropriateness, and conformity to policy and requirements.

- ▶ Use tact, initiative, prudence, and independent judgment within general policy, procedural, and legal guidelines.
- ▶ Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

Equivalent to completion of the twelfth (12th) grade supplemented by college-level coursework or vocational training. Three (3) years of increasingly responsible and varied administrative support experience. Experience in planning, building or construction industry is desirable.

Licenses and Certifications:

- Possession of, or ability to obtain, a valid California Driver's License by time of appointment may be required for certain assignments.

PHYSICAL DEMANDS

Must possess mobility to work in a standard office setting and use standard office equipment, including a computer; vision to read printed materials and a computer screen; and hearing and speech to communicate in person, before groups, and over the telephone. This is primarily a sedentary office classification although standing and walking between work areas may be required. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information. Employees must possess the ability to lift, carry, push, and pull materials and objects up to 10 pounds with the use of proper equipment. Reasonable accommodations will be made for individuals on a case-by-case basis.

ENVIRONMENTAL ELEMENTS

Employees work in an office environment with moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.
