Habitat Repairs!

- **Leaky roofs**
- **Broken windows**
- **Plumbing or electrical problems**
- **Problems with heat or cooling**
- **Unsafe floors or stairs**
- **Accessibility issues**
- **Other safety issues**
- **And more!**

As a non-profit builder, Habitat for Humanity Calaveras partners with **income -qualified homeowners** to provide quality home repairs with no-interest loans, no down payment and affordable terms. If you own your home and live in Calaveras County, and intend to stay in it for at least 3 years, **call us today to see if you qualify.**

Eligible repairs include health or code-related such as: roofs, structural damage, porch repair, electric, plumbing, HVAC, handicap accessibility, siding, weatherization or energy efficiency, sewer/septic issues, failing foundations.

Our mission is to provide decent, affordable housing for **income-qualified homeowners** while building strong neighborhoods and improving property values. **We repair houses so you can continue to live in a safe, decent home for years to come.**

You get an affordable loan to cover the cost of the work. Payments are placed in a revolving fund to help us serve others in need. **Subsidies are available** to help lower the total loan amount for qualifying households; very low income folks, seniors, disabled, veterans of any age and folks impacted by natural disasters.

We'll do everything we can to make the costs of your repair fit within your budget.
